Alice in the Country of Clover | Seven Seas Entertainment Alice in the Country of Clover is an all-new manga series that reimagines Lewis Carroll's Alice in Wonderland in a sly, sexy shoujo style. This new series is a follow-up to QuinRose's bestselling Alice in the Country of Hearts, but can be read independently. Alice in the Country of Clover: Bloody Twins: QuinRose ... They move into Clover Country from Heart Country in the 2nd chapter and can change from adult to children body at will. The adult body is much more disconcerting to Alice. Alice in the Country of Hearts - Wikipedia The Country of Clover is the primary setting of Alice in the Country of Clover, the sequel to the Alice in the Country of Hearts, and the second Wonderland location introduced. While the game retains most of the characters from Country of Hearts , the game removes Julius Monrey and Mary Gowland in favour of two new characters, Pierce Villiers and Gray Ringmarc.

I would say this is shota, but Alice is rather young herself, and all of the 'advanced' kissing takes place with the twins as adults.
